President’s Circle History

The President’s Circle was established in 2009 to recognize the contributions of donors who gave $1,000 or more. Each year the president formally recognizes and hosts members of the President’s Circle at an annual event in their honor. The Division of Institutional Advancement manages the process for maintaining and improving the relationship of Virginia Union University with its constituents in a way that most effectively contributes to the achievement of the University’s mission.

Year in Review

At the close of the last fiscal year (June 30, 2015), the number of contributors to the President’s Circle increased to 412 in 2015. Most notable was giving by alumni of $1,020,712 for 2015. We also experienced an increase in gifts from corporations. The Division of Institutional Advancement joins President & CEO Claude G. Perkins in acknowledging the support of members of the President’s Circle.
