

THE RECORDS OF  
Community Learning Week  
AR-0006

University Archives  
Virginia Union University

February 2002

These records reflect the activities and events of Community Learning Week (CLW) at Virginia Union University and in the Richmond community. CLW was organized in 1979 by the Richmond Committee of Black Clergy and the Office of Student Development at VUU. Rev. T.C. Milner headed the clergy group and Dr. Grace Pleasants directed the VUU office. The intent was to bring together the community to honor the memory and mission of Dr. Martin Luther King Jr. Pleasants served as program coordinator with Milner assisting until 1983 when Milner became program director. The week-long celebration includes a Community Leaders Breakfast and educational and cultural events throughout the city.
