VUU Board of Trustees

All too often we fail to make time for reflection, to pause for serious consideration of the accomplishments of our past, and to chart the course for our future without losing sight of our mission. During the past academic year, Virginia Union University was blessed with the unique opportunity to reflect upon 150 years of historic achievements during its Sesquicentennial Celebration. We are truly grateful to the many alumni and friends of Virginia Union University who attended our extensive calendar of events. We sincerely appreciate all of the academic scholars, political leaders, distinguished alumni, and Virginia Union students who participated in our many 150th Anniversary events, especially the VUU Choir and First Thursday Group Jazz Ensemble.

We are especially grateful to all of the donors who invested in Virginia Union during our Sesquicentennial. The anniversary marked the culmination of a seven-year \$30 million Comprehensive Campaign and thanks to you we exceeded our goal. The anniversary was also a groundbreaking period for Virginia Union alumni who met their goal of 1,000 alumni giving a total of one million dollars. Indeed annual giving during the Sesquicentennial was the highest in the last 18 years.

We continue to celebrate as we move into the new academic year, recording the second highest enrollment in university history, and increases in retention rates. We now turn our thoughts to the future focus of Virginia Union University and are pleased to share with you information concerning the Virginia Union University Master Plan, recently approved by the Virginia Union University Board of Trustees.

This issue of the President's Annual Report is dedicated to the memory of an outstanding alumnus and great educational leader, Dr. Allix B. James. Dr. James was associated with Virginia Union University for more than 70 years. He received his undergraduate degree in 1944 and was appointed president in 1970. He loved and supported his alma mater, serving as Instructor of Biblical Studies, Professor of Pastoral Theology, Dean of Students, Dean of the School of Theology, and Vice President. May he rest in peace.

Sincerely,

Claude G. Perkins
