Borrow Books Directly from Other Virginia Colleges & Universities!

The Virtual Library of Virginia **(VIVA)** consortium is doing a pilot program during the 2013-2014 academic year that allows VUU students, faculty & staff to go to *any participating* Virginia college or university and borrow books directly. Just show your college ID and proof of current status!

Please visit http://www.vivalib.org/borrowing/ to see which institutions are participating in this pilot program and learn how you can demonstrate current status at a lending library.

VIVA The Virtual Library of Virginia

The consortium of the nonprofit academic libraries within the Commonwealth of Virginia
