The Virginia Union University Student Handbook describes the general rules, regulations, and procedures for student life at the University, and the means by which students may access the full scope of the University’s resources and facilities. The Student Handbook must be used as a companion document to the University Catalog and other published regulations and guidelines issued by various offices and programs of the University.

The student, upon admission to the University, obligates himself or herself to adhere to the rules and regulations outlined in this document, the University Catalog, and other published regulations and guidelines that inform both on and off-campus expectations. Virginia Union University also reserves the right to revise, alter, or eliminate the rules and regulations as needed. Students will be informed of such changes by way of VUU email, the official mode of communication for the University.

A copy of the VUU Student Handbook is distributed to new students via QR code during New Student Orientation and sent to all students by VUU email. This important document is also available on the VUU website.

Nine Noble Achievements & Culture of Excellence

Nine Noble Achievements: A Model of Student Success

At Virginia Union University (VUU), the institution’s mission, coupled with the value proposition for a unique student experience, can be leveraged for the purpose of student success. VUU has a proven record of immersing admitted students into the history and culture of our institution and propelling them towards fulfilling their academic and professional goals. This success is based on clear student expectations and a commitment to institutional capacity that bolsters student support. VUU has established an environment with resource alignment to assist students as they journey through their 4-year career, and the development of an infrastructure anchored in student recognition. The outcome-orientation model (or milestones of student success) for newly matriculating VUU students are referred to as the Nine Noble Achievements—attribute to the historic “Nine Noble Buildings”, the original structures of Virginia Union University.

FOCUS
All students must have a Financial Investment Plan.

WISDOM
All students must have a mentor as a part of their circle of support.

ACCESS
All students must have an active Personalized Education Plan.

SCHOLARSHIP
All students must graduate with a 3.0 GPA.

PURPOSE
All students must graduate on-time.

EXPERIENCE
All students must complete an internship.

CULTURE
All students must have a term-away experience.

FUTURE
All students must have a career/graduate/professional school offer before graduation.

WEALTH
All career paths must average $60,000.

The Nine Noble Achievements are identified as markers of student success because they are known to spawn change—within the student and the academic enterprise. Each of the success markers are represented by a stone, such that a student who successfully completes each milestone, will earn a representative stone as a symbol of their successful matriculation through graduation. Each stone is deeply-rooted in the lived experience of our students, yet, intentionally sets a standard consistent with Best in Class higher education experiences. We anticipate that student fulfillment of the Nine Noble Achievements will result in a marked shift in student's successful transition into the marketplace. Through this model, we aim to produce a cadre of students who possess the skills to be highly effective global citizens.
A Culture of Excellence

The Virginia College for African American Women (VCAAW) and the Virginia College for African American Men (VCAAM) were created as student development organizations tasked with defining and outwardly representing what it means to be a “Union Woman”/“Union Man”. Both organizations are purposed with anchoring the spiritual, academic professional and social growth of Virginia Union University (VUU) students through development activities, peer/institutional support programming and community service initiatives. VCAAW/VCAAM offers resources, which reinforce the institutional standards of success. Available to all VUU students, VCAAW/VCAAM is instrumental in supporting students as they prepare for lives of moral global leadership.

Guided by a vision, which boldly positions Unionites for leadership and lifelong scholarship, VCAAW/VCAAM empowers students to continuously grow and improve as global citizens. It is the desire of the Administration that these organizations add significant value to the on-campus experience, contributing to the evolution of the historic, “Union Way”.

**Section 4**

that a **safe and secure environment** is necessary for me to thrive, grow, and reach my goals. I will practice safety in everything I do and will use great caution when I am with others. I will not tolerate behaviors and/or activities that compromise the safety and well-being of the campus community and will alert the authorities when I witness any violations.
Section 5
Campus Life

Campus life takes many forms, the greatest of which is academic excellence and the enduring friendships that are at the core of the Union experience. VUU intentionally cultivates engaged citizenship, beginning with New Student Orientation and continuing through graduation. Each year, students participate in activities that assist with many gaining valuable leadership skills while building community on campus and in greater Richmond community and global society.

There are approximately 25 student-led organizations in our community in addition to the opportunities to become a member of academic clubs, organization and experiences in other areas. Engagement is a key aspect of the growth and development of all of our students.

GET ENGAGED • DISCOVER • CONNECT • LEAD

The Office of Student Engagement works to enhance the out-of-classroom experience and learning for an ethnically and culturally diverse VUU Student population by providing comprehensive purposeful Student Engagement program. The Office of Student Engagement provides a holistic collection of high-quality extra-curricular programs and activities that promote student development that complement Virginia Union University students’ academic experience, through our nine noble achievement model (Scholarship, Culture, Experience, Future, Wealth, Purpose, Wisdom, Access, and Focus). Virginia Union University defends the right to free expression, including the freedom to express dissent, within the context of the law and responsibility for one's actions. The university also reserves the right to specify time, manner, and place for the exercise of these freedoms, guided by factors that include safety, the rights of others, and the normal functioning of the university.

Section 7
Community Standards & Code of Conduct

Virginia Union University (VUU) is an educational community of scholars in which freedom of inquiry, freedom of thought, freedom of expression and freedom of the individual are valued. The exercise and preservation of these freedoms require respect for the rights of all in the community to enjoy them to the same extent. Each student and student organization assumes an obligation to conduct himself, herself, or itself in a manner compatible with the University’s rules, codes, policies and procedures (“Code of Conduct”).

The VUU Student Conduct Process exists to respond to alleged violations to the Code of Conduct. The aim of the Student Conduct Process is to encourage responsible behavior, to maintain social order, and to protect the rights of all. VUU may sanction students for failure to abide by its Code of Conduct, and sanctions may be imposed singularly or in combination, both for individuals and for student organizations. Students are advised that a disciplinary sanction imposed by VUU pursuant to this Student Conduct Process does not preclude the possibility of a separate criminal or civil prosecution by law enforcement authorities and that conversely, improper conduct external to the campus may be grounds for VUU disciplinary action as well.

Behavior that violates the Student Code of Conduct listed here and elsewhere will be subject to disciplinary action through the appropriate process. If it is determined that a group is responsible for a violation, either by direct involvement or by condoning, encouraging or covering up the violation, appropriate action will be taken with respect to the group as well as to the individuals involved.

Exclusions – Please note that this Conduct Process does not apply to grade appeals. In addition, outcomes of the appeal processes are not subject to further consideration through this Conduct Process. Relative to academic issues, the Student Conduct Process only applies to complaints of Academic Dishonesty to the extent set forth in the Academic Integrity Policy (as outlined below). Finally, this Student Conduct Process does not apply to complaints regarding Sexual Misconduct. For information regarding Sexual Misconduct, please see the Sexual Misconduct Policy and Procedures below (Title IX).

The Director of Student Conduct is to review the findings and determine if a conduct violation has been committed. If it is determined that a violation has occurred a sanction may be rendered. During the assessment, an accused student can either accept responsibility or dispute the allegations and request a reconsideration review by the Conduct Review Committee. A reconsideration request must be made in writing within 48 hours of the original sanction rendered.

If the student chooses to accept responsibility, the case may be resolved, and the DSC will determine the appropriate sanction. **Sanctions imposed pursuant to a Formal hearing cannot be appealed.** If additional information becomes available after a resolution is reached, DSC reserves the right to refer the case for review by the Chief of Police.

*Reconsideration Review Process*
The duties of the Conduct Review Committee will be to review the request of the student and determine if the findings support the sanction given by DSC. Specifically, the committee will ascertain if the sanction should be upheld or if a formal hearing with the Chief is warranted. **Formal Hearing**

Requests for an appeal will be considered by the Chief of Police. A request for an appeal does not guarantee that an appeal hearing will be granted. The Chief of Police has 24-48 hours to respond to the students’ request for a formal hearing.

**Student Mediation**
A student complainant or the Director of Student Conduct may propose mediation as a means to resolve some disciplinary cases. Mediation is possible; with the approval of the (DSC) when all parties involved voluntarily agree to engage in the mediation process and when students involved, have not previously engaged in mediation. Note: The DSC and Chief of Police have the authority to initiate an administrative withdrawal (or involuntary separation) process based on threats or behaviors that cause concern for the safety and well-being of an individual, and/or the campus community. While the aforementioned violations provide context for the Student Code of Conduct, it shall be clear that actions beyond the scope of this list shall be addressed by the authority of the DSC and/or the Chief of Police.

**Campus Police and Student Conduct**

**Chief of Police**
The Chief of Police has primary oversight for the operations of the Office Student Conduct and Campus Police. The Chief of Police, or his/her designee, has “emergency powers,” which may be exercised to suspend or amend procedural regulations, when, in his or her judgment, is necessary to safeguard the campus community.

**Director of Student Conduct**

The Director of Student Conduct is charged with providing oversight and coordination of the conduct process. Any member of the VUU community shall bring complaints against a student or a group of students to the
attention of the DSC, the Police Department, Office of Housing & Residence Life, or the Title IX Coordinator. To report an incident, send an email to conduct@vuu.edu or use the reporting form https://www.vuu.edu/incident-reporting-form.

**Decision Process**

The Student Conduct Process is designed to adjudicate complaints of student misconduct and, where applicable, to impose sanctions for such misconduct. Students have the right to due process when accused of a violation of any campus regulation or code of conduct. The jurisdiction of judicial bodies, the disciplinary responsibilities of institutional officials, and the disciplinary procedures shall be clearly formulated and published.

In all cases, the student is informed of the nature of the charges against them and guaranteed the right of appeal in cases of suspension or expulsion. There may be circumstances that could result in involuntary separation from the University, but not be the result of violations of campus regulations or breaches of the Code of Conduct. The student shall have the same rights to due process as those described for violations of campus regulations.

**General Procedure**

I. **Report of Violation**

Any member of the University community (students, staff, and faculty) parents, and/or community members may report an alleged violation of the Code of Conduct to the Director of Student Conduct, Dean of Students, University Police, the Vice President of Student Development and Success, or any other University officer. To report an incident, send an email to conduct@vuu.edu or use the reporting form https://www.vuu.edu/incident-reporting-form.

II. **Investigation**

The DSC and/or University Police will conduct an investigation to gather information about the alleged violation(s). Following the investigation, the DSC and/or University Police, as appropriate, will make recommendations as to whether or not there is enough evidence to proceed. The DSC and/or University Police may question and/or request written statements of the accused student, the complainant (if applicable) and/or witnesses or other individuals involved.

III. **Notification - Conduct Assessment**
If the Director of Student Conduct determines that a reported misconduct merits a conduct assessment, the respondent will receive a written statement of violation and potential disciplinary action (and mediation, if applicable) procedures. The accused student (and complainant, if necessary) will receive notice, via VUU email, and/or a hard copy delivered to the on-campus residence of the student at least 48 hours before the proposed fact-finding meeting. Notifications will include the date, time, and place of the meeting, and the names of witnesses scheduled to appear (if necessary).

- Certain violations may require an emergency hearing and notice time may be amended. VUU emails are the official mode of communication for the University.
- Students are expected to notify parents or guardians of the violations and these persons may request a conference with the college officials, pending FERPA consent.
- The decision reached at the fact-finding meeting will be communicated in writing to the student. If the student is a minor, or is found responsible for an alcohol or drug violation, or if the student so requests; his/her parents or guardian may be also notified.
- The student will be notified in writing of the right to request a reconsideration review by the Conduct Review Committee. A copy of the final decision will be mailed to the student. If the student is a minor his/her parents or guardian will also be notified.

**Other Important Information**
The accused student is presumed not responsible until found responsible; however the Chief of Police may impose an interim suspension, while awaiting a hearing; if the alleged offense is such that the student’s presence on the campus is impeding on the health and safety of others, or is unwise or presents a clear and present danger to the members of the University community. If an interim suspension is put in place, the student shall be administratively withdrawn from classes and will subsequently be responsible for fees incurred up to and including the date of the administrative withdrawal.

**DECISION PROCESS DESCRIPTION**
Chief of Police reserves the right to suspend for an interim period any student, without a hearing, whose presence on the campus is, in the sole judgment of the University is detrimental to the best interests of the University. Circumstances where this rule may apply include but is limited to: assault and or battery with a weapon, sexual misconduct, rape, hazing, possession of weapons, distribution of illegal substances, threats against University members, armed robbery, arson, possession or manufacturing of explosive devices; or other acts that might endanger themselves, others, or property. Please note that this list is not exhaustive or conclusive.
Student Conduct Violations Point System
revised May 2020

The points system was developed to make the student conduct sanctioning process clearer, more consistent, and more foreseeable for students. Under the points system, a student found responsible for violating University policy is assigned points according to the table of violations provided. Points and/or other sanctions are assigned at the conclusion of the Student Conduct hearing process. The points are cumulative over the course of the academic year (fall-spring, spring-fall). Previous violations are always considered before points and/or sanctions are assigned for violations. Each new academic year, students may have the opportunity to participate in service activities or other restorative justice practices, to reduce the number of student conduct points attached to their disciplinary record.

Conduct Sanctions
If the respondent is found responsible for any violation of the student code of conduct or other University policy, he or she may be subjected to one or more of the following sanctions which may, under certain circumstances, be communicated to the student’s parents or guardians.

**Disciplinary Sanctions**
Responsible for violating the Student Code of Conduct may be assigned any of the following sanctions in addition to disciplinary conduct points:

**Warning**
Notice, orally or in writing, that continuation or repetition of prohibited conduct may be cause for additional disciplinary action.

**Campus Resource Referral**
A student or group may be required to contact an individual or department on campus.

**Counseling**
A student may be referred to undergo counseling with the University Office of Counseling Services or designee for a specified time period or until he or she has successfully completed a course of counseling (and such completion is documented by the Counselor in writing).

**Account Hold**
Various departments on campus can place a hold on a student’s account for many reasons to include: failure to comply with departmental directives (i.e. failure to pay fines, tuition or comply with a disciplinary sanction, and withdrawal or suspension from the University). The student must rectify (to the satisfaction of the Office that placed the hold) the matter at hand before the hold is removed.

**University Service Hours**
A student may be required to perform a certain number of hours of work on campus for a designated University employee, department or organization.

**Educational Sanction**
The objective of an educational sanction is to provide opportunities for education, reflection, and rehabilitation and is selected to be commensurate with the offense.

**Fine**
An individual or group may be fined any amount determined to be appropriate and commensurate with the severity of the offense.

**Restitution**
Restitution is reimbursement for damage to or misappropriation of property. It may be in the form of service or other compensation.

**No Contact Order**
For complaints involving allegations between students, the Director of Student Conduct and/or Campus Police will issue a no-contact order. If it is deemed appropriate by the Director of Student Conduct and/or Campus Police that a no-contact order should be issued, the complainant and respondent will each receive the order. Each party will be informed by the DSC once a no-contact order has been issued to the other party. Note: If living on campus, students involved in a conduct matter who live near or with each other may also request to have living arrangements modified pending the outcome of the hearing.

**Residence Hall Restriction**
A student may be restricted from entering a specific residence hall or all residence halls, as specified, without the ex-press written permission of the Office of Housing and Residence Life.

**Reassignment of Housing Location/Cancellation of Housing Contract**
A student removed from the residence halls for an assigned period of time or expelled from the residence halls on a permanent basis may not enter any residence hall without the express written permission from the Office of Housing and Residence Life. A student who is reassigned to a residence hall due to disciplinary action may only enter the newly assigned residence hall. The reassigned student may not enter any other residence hall without the express written permission from the Office of Housing and Residence Life. If the student is residing in housing at the time of the suspension or expulsion, no refund of the housing deposit or fee will be made.

**Housing Probation**
A student is advised that additional violations on or off-campus could result in the reassignment of their housing location or the cancellation of their housing contract.

**Housing Suspension**
A student may be suspended from the residence halls when his or her conduct violates the Code of Conduct or the Housing and Residence Life Handbook. Students suspended from the residence halls must complete the official check-out process and are prohibited from visiting any of the residence halls for the length of time imposed. Students suspended from the residence halls will not be entitled to reimbursement of fees associated with room charges.
A student or group is given a warning that further violations will result in consideration of suspension. The student or a group representative may be required to report to the Director of Student Conduct (DSC) on a regular basis during the period of the probation. Terms of the probation shall be specified and may include denial of specified social privileges, exclusion from extracurricular activities and other measures deemed appropriate. Violation of this Code of Conduct during the period of probation will normally result in suspension or expulsion from the University.

**Social Probation**
A student placed on disciplinary probation may not, for a specified period of time, (a) participate in intramural, intercollegiate, or club sports, (b) represent the University in any public function or performance, (c) hold office in student organizations, or (d) be eligible to be initiated into a fraternity or sorority. A student who engages in prohibited conduct prior to the expiration of his or her disciplinary probation may be subject to suspension from the University.

**Title IX referral**
Any complaints involving allegations of Title IX sexual harassment or sexual assault and other conduct matters falling under Title IX of the Education Amendments of 1972, as amended. All Title IX student conduct matters are handled exclusively under VUU Sexual Misconduct Policy. In cases involving allegations of sexual misconduct, the investigation will focus primarily upon the allegations of sexual misconduct. Students involved in a sexual misconduct case may qualify to receive amnesty for other violations of the Code of Conduct.

**Deferred Suspension**
Individual or group suspension may be deferred. Deferred terms, i.e., conditions of the deferred suspension and its duration, will be set by the Director of Student Conduct which imposed the sanction. If a succeeding Director of Student Conduct or Conduct Review Committee finds the student responsible for violating the terms of the deferred suspension during the period set up by the preceding Director of Student Conduct or the Conduct Review Committee, the student may be suspended.

**Suspension**
An individual or group will be dismissed from the University for an assigned time period, and under the conditions deemed necessary by the conduct review process. A student suspended from the University may not enter campus grounds for any reason during the period of her/his suspension without the express written permission from the Director of Student Conduct and/or the Chief of Police. A student suspended from the University before an academic semester ends will not receive a refund of any monies paid and is not relieved of any financial obligations to the University, including tuition, fees, and room and board. No academic credit earned during the period of suspension at any other
institution may be transferred to VUU. A conduct suspension and its effective dates are recorded on a student’s academic transcript. The notation remains for the time the student is enrolled in the University and is re-moved three (3) years after graduation. If the student leaves the University before graduation, the notation is removed three (3) years after the anticipated date of commencement from the University.

**Expulsion**
An individual or group will be separated from the University on a permanent basis. An individual’s expulsion will be permanently recorded on his/her academic transcript. A student expelled from the University may not enter campus grounds for any reason without the express written permission from the Director of Student Conduct and/or the Chief of Police. *General University Policies*

*University Grievance Policy*

Each student is afforded the right to file a formal written complaint about matters of concern with the University. The protocol for submitting and responding to such complaints is outlined below.
Procedures for Submitting Input and Complaints

When a student encounters a University-related problem that he or she does not know how to resolve, s/he should always try to work out the problem by first discussing it with those most involved with the issue. Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. Many problems are resolved when a student makes an appointment with a faculty or staff member to calmly and honestly communicate concerns.

If the student remains dissatisfied after consultation with the staff or faculty member, the student may initiate the formal complaint process at VUU described in the next section. All formal complaints must be put in writing using the official VUU Student Complaint Form.

https://www.vuu.edu/student-complaint-form---how-do-i-make-a-complaint

Grievance & Complaint Procedure

Step 1: Informal Resolution

- Any student with a concern or complaint about an event or condition related to University activities is encouraged to first discuss the matter with the appropriate faculty, staff member or department personnel in which the issue originated.
- If the issue is not resolved, the next contact would be the department supervisor, chair or dean to investigate the issue.
- The Office of Student Experience serves as an innovative resource for students to discuss their campus life experience, and provide interventions that aim to ensure a high quality student experience. Operating a centralized call center, this office is also positioned to receive and respond to both informal and formal student complaints and/or issues. Students can contact this office to receive assistance in resolving both informal and formal complaints as well as provide feedback to improve the overall student experience at Virginia Union University. The Office of Student Experience can be reached at 804.257.5673.

Hierarchy for Expressing Complaints at Virginia Union University

Prior to submitting a formal complaint, all on-campus offices shall be provided an opportunity to address student concerns (informal resolution). Outlined below is a high-level hierarchy of divisional responsibility. Please allow five (5) business days for a response from each level before proceeding to the next level.

Division of Academic Affairs

For all academic-related matters please adhere to the following hierarchy: speak first to the course instructor, department chair, academic school Dean, followed by the Office of Academic Affairs. In the event, that the issue is related to the University College (UC), the UC Dean should be consulted prior to contacting the Office of Academic Affairs. Regarding library challenges, the Library Director is the point of contact, followed by the Office of Academic Affairs. Issues about course registration, selection of major, or
transcript needs shall be expressed to the Registrar, following by the Office of Academic Affairs.

Division of Administrative Services and Business Solutions
For all issues regarding customer service, the following hierarchy shall be followed for an information resolution: For technical issues, the Director of Information Technology, followed by the Senior Director. Safety and security concerns shall be reported to the Chief of Police. Following the indicated individuals, students shall consult the Assistant Vice-President, followed by the Executive Vice President/Chief Operating Officer.

Division of Business Affairs
Issues related to campus cleanliness, sanitation, functionality shall be reported to the Facilities Director. Subsequently, the Vice President of Business Affairs shall be consulted.

Division of Enrollment Management
Any student concerns regarding Housing and Residence Life shall be reported to the Director of Housing and Residence Life. Financial Aid related matters (to include eligibility) shall be directed to the Director of Financial Aid. The Student Accounts Director is the primary contact for student fees, payment plans, refund checks, etc. Ultimately, the Vice-President of Enrollment Management shall be contacted to address any concerns therein.

Division of Intercollegiate Athletics and Community Wellness
All students who access athletics offices and facilities (to include the fitness center), as well as those members of sporting or performance teams, shall report concerns to the Athletic Director, following by the Vice President of Intercollegiate Athletics and Community Wellness.

Division of Student Development and Success
Within this division, the following offices are led by their respective directors, Office of Workforce Development and Training, Office of Student Development and Success, and Office of Counseling Services. Any challenges shall be addressed with the Directors, then the Dean of Students. Following the Dean of Students, the Vice-President of Student Development and Success shall be consulted. Beyond the indicated offices, the Dean of Students is the primary contact for student-specific challenges. The Dean of Students will address the student’s needs accordingly. Lastly, concerns about student health services provided by Capital Area Health Network shall be reported to the Vice President of Student Development and Success.

Step 2: Formal Complaint
- If a resolution is not reached, the student is encouraged to submit a written complaint using the online complaint form (see above) or by email to grievance@vuu.edu.
• This written letter of grievance or complaint must include the name and contact information of the student filing the complaint, a detailed description of the circumstances, including who is involved, and the current status of the situation of concern. It is necessary to demonstrate how the student has already attempted to resolve the concern, including a description of the steps taken to follow the procedure as defined in Step 1.

Step 3: Formal Resolution

• The Dean of Students will investigate the complaint and refer the findings to the Grievance Committee. Complaints may be referred to the appropriate college/division for additional investigation and a proposed resolution. Formal complaints will be investigated within seven (7) workdays. The Dean of Students will advise the complainant within the seven (7) day period if additional time is needed for resolution. Once resolved, the student may appeal the resolution to the Vice President of Student Development and Success.

Step 4: Appeal

• If resolution does not occur to the student’s satisfaction at Step 3, the student must submit an appeal to the Vice President of Student Development and Success within five (5) business days following the date the proposed resolution was presented. The Vice President of Student Development and Success may request additional information from involved parties. The Vice President will issue a written response to the appeal within 14 days. The appeal response will be distributed to the complainant and the affected department or individuals. The appeal response by the Vice President of Student Development and Success is final.

Certain complaints are not covered by this process. For information regarding grade appeals and student-to-student complaints, please refer to other sections of this Student Handbook, the VUU Catalog, or contact the Office of Academic Affairs, Financial Affairs or Student Development and Success. For information regarding Sexual Misconduct, please see the Sexual Misconduct Policy and Procedures and refer to www.vuu.edu/titleix.

SPECIAL NOTE: Sometimes, students find they are particularly pleased with how something has been handled for them, how they were assisted by a particular staff member, the positive experience they had in a specific class, or some other outstanding occurrence that happened to them at VUU. As a student, you should know that the same “Input Form” that is used to lodge a concern can also be used to provide a written compliment or note of appreciation. In this case, the process for submitting the form is the same as for filing a formal complaint.

Sexual Misconduct Policy

VUU defines sexual misconduct as any a form of sex discrimination that may deny or limit
an individual’s ability to participate in or benefit from University programs or activities. Sexual Misconduct is inconsistent with the values and standards of the University community, is incompatible with the safe, healthy environment that the University community expects and deserves, and will not be tolerated. Sexual Misconduct includes but is not limited to sexual harassment, sexual assault, domestic violence, dating violence, sexual exploitation, and stalking. For more information on reporting incidents of sexual misconduct, please contact Director of Student Conduct, University Police and the Office of Title IX. Please consult the University website for current Sexual Misconduct Policies and Procedures as well as available resources here: www.vuu.edu/titleix.

Forms of sexual misconduct may include:

**Coercion.** "Coercion" involves unreasonable and unwanted pressure to engage in sexual activity. Engaging in sexual activity should be the result of a freely given choice. An individual should engage in sexual activity because he or she wants to, and not as the result of being pressured by someone else. Threatening, cajoling, and pressuring someone until they finally say "Okay, just get it over with" is not consent.

**Dating Violence.** “Dating Violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

**Domestic Violence.** "Domestic Violence” is an offense committed by a current or former spouse or intimate partner of the Complainant; or by a person who has a child in common with the Complainant; cohabitating with or has cohabitated with the Complainant as a spouse or is “similarly situated to a spouse” of the Complainant; or violence against an adult or youth who would otherwise be protected by domestic or family violence laws in that jurisdiction.

**Sexual Assault.** “Sexual Assault” means any actual, attempted or threatened sexual act with another person without that person’s consent, to include non-consensual sexual contact (touching sexual body parts) and non-consensual sexual intercourse (unwilling or non-consensual penetration of any bodily opening with any objects or body parts).

**Sexual Exploitation.** “Sexual Exploitation” means any act of taking non-Consensual, unjust or abusive sexual advantage of another person for one’s own advantage or benefit or to benefit or advantage anyone other than the person being exploited.

**Sexual Harassment.** “Sexual Harassment” is any unwelcome verbal, nonverbal, written, electronic or physical conduct of a sexual nature or based on gender or gender stereotyping.

**Sexual Intimidation.** “Sexual Intimidation includes acts of intimidation, bullying, aggression or hostility based on a sexual nature.

**Stalking.** “Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

**Smoking-Free Policy**

**Rationale**

Virginia Union University (VUU) is committed to providing a healthy environment on campus. We recognize the serious health implications of both the direct and indirect use of tobacco products and our responsibility to promote the health and well-being of our
students, faculty, staff and visitors. In February 2018, the University received a grant from Truth Initiative to be designated as a tobacco and smoke-free campus. As a leader in the community, Virginia Union strongly discourages the use of any and all tobacco, nicotine and marijuana products. VUU is committed to offering our students, staff and faculty helpful smoking cessation and wellness resources.

1. Definitions

It also includes use of any such tobacco or plant product with a pipe or hookah; with an electronic smoking device which in any way creates an aerosol or vapor in any form; or any other oral smoking device, such as e-cigarettes, vaporizers or other such devices.
1.2. “Tobacco-derived or containing products” means: products that include, without limitation, cigarettes (including clove, bidis, kreteks and similar type products), electronic cigarettes, aerosol or vapor nicotine delivery devices, cigars and cigarillos, pipe tobacco, hookah-smoked products, and oral tobacco (spit and spit less, smokeless, chew, snuff).
1.3. Marijuana means all parts of the plant of the genus cannabis, growing or not; the seeds of the plant; the resin extracted from any part of the plant; and every compound, manufacturer, salt derivative, mixture, or preparation of the plant or its seeds or resin, including marijuana concentrate and the marijuana–infused products.
1.4. Marijuana-infused products mean a topical formulation, tincture, beverage, edible substance, or similar product containing marijuana and other ingredients and that is intended for human consumption.

2. Policy
2.1. This policy is for all VUU faculty, staff, students, vendors/contractors and visitors to our campus.
2.2. Virginia Union University supports and is committed to wellness and a healthy environment. No person shall smoke, chew, or otherwise use tobacco, tobacco products, tobacco-derived or smoking simulation products or devices, and/or alternative nicotine, products on, in, or upon property owned or leased by Virginia Union University.
2.3. Marijuana is not permitted anywhere on campus property or at any campus sponsored events. Use of marijuana includes, but is not limited to, smoking in any form or any edible form. Marijuana smoking or use of marijuana is prohibited in any private vehicle, any college owned vehicle, or any vehicle located on college
property. Marijuana is considered illegal in the state of Virginia, and its possession, use, and sale could carry prison time and/or other disciplinary consequences.

2.4. Student’s disciplinary consequences are set forth in the Student Code of Conduct. Disciplinary action may consist of payment of fines, verbal reprimand, restitution of damages, and restriction of privileges, disciplinary probation, suspension, dismissal and/or notation on the student’s record of dismissal or suspension.

2.5. This policy does not include any cessation product specifically approved by the U.S. Food and Drug Administration for use in treating nicotine or tobacco dependence. (See exemption for FDA-approved cessation products in the definition of alternative nicotine product, below.)

3. Monitoring
3.1. The University reserves the right to monitor, intercept and review within the law, without further notice, on-campus student behavior that may warrant intervention.

4. Consequences of a Breach of Policy
4.1. Any breach of this policy may result in disciplinary action up to and including suspension or expulsion.
4.2. Any disciplinary action will be taken in accordance with the procedures outlined in the Student Code of Conduct.
4.3. Where conduct may be illegal criminal offence, the University may report the matter to the police.

5. Reporting
5.1. Any complaints received under this policy will be reported, on an anonymous basis where appropriate, to the relevant body within the University.

Drug-Free Policy

The welfare and success of Virginia Union University depends on the physical and emotional health of all its students and employees. The abuse of drugs and alcohol poses a serious threat to all members of the Virginia Union family. Commonly abused and improperly used drugs and substances include, among others, alcohol, painkillers, sedatives, stimulants, and tranquilizers, as well as marijuana, cocaine and other illegal drugs. It is the responsibility of students, faculty, staff, and administrators to maintain a safe, healthy and efficient living and learning environment. For that purpose, Virginia Union University has adopted the following policy:

The unlawful possession, use, manufacture, distribution or dispensing of a controlled substance while enrolled at, or performing work for, or on the properties of Virginia Union University, is prohibited. Any student, employee (including administrators, faculty and staff) or campus visitor, determined to have violated this policy, will be subject to appropriate disciplinary action, up to and including expulsion or termination and/or referral for criminal prosecution. The use of alcohol while on the properties of Virginia Union University is prohibited except when authorized by the University at designated functions.
Virginia State Law prohibits the purchase, possession or consumption of beer, wine, or distilled spirits by persons less than twenty-one years of age. Virginia State Law also prohibits purchasing, the purchase for, or the serving of alcohol to individuals who are not of legal age for possession or consumption of alcoholic beverages, whether in primary or secondary containers, in licensed public areas.

Virginia Union University prohibits the sale; possession or consumption of alcoholic beverages by its students, administrators, faculty and staff on University owned or controlled properties. Violators of these rules will be subject to appropriate disciplinary action, up to and including, expulsion or termination and/or referral for criminal prosecution. Virginia Union University establishes and adopts the following guidelines for substance use:

1. Students are prohibited from unlawfully manufacturing, distributing, dispensing, possessing or using a controlled substance on University-owned or controlled properties.
2. The University will not hire or admit anyone, who is known to currently abuse drugs or alcohol.
3. All students must report to class, or work, in a fit condition to perform their required duties. Reporting to work, or class, under the influence of drugs or alcohol, is a violation of this rule and shall be reason for mandatory evaluation/treatment for a substance use disorder and/or disciplinary action, up to and including, termination or expulsion.
4. All students must report any drug conviction that occurs while a student is enrolled at the University to the Chief of Police.
5. All students must cooperate fully with appropriate law enforcement authorities in the investigation and prosecution of illegal drug use.
6. Virginia Union University will educate and inform its students about:
   a. The dangers of drug and alcohol abuse.
   b. The University’s policy of maintaining a Drug-Free workplace.
   c. Drug and alcohol abuse counseling, rehabilitation and assistance programs available.
   d. The penalties that may be imposed for drug and alcohol abuse violations.
7. Students will not be expelled for voluntarily seeking assistance for a substance abuse problem. However, continued unacceptable, attendance and/or behavior problems, shall result in disciplinary action, up to and including termination or expulsion.

**Appropriate Attire Policy**

Virginia Union University has a prescribed dress code, and some attire is considered inappropriate in specific settings on/off-campus. The University retains the right to define what is considered appropriate attire. Dressing appropriately is considered a part of the learning process. Students and their guests who do not adhere to the dress code may be
denied access to University services, including, but not limited to, the classroom, the cafeteria, and other academic buildings. If an instance occurs wherein a student feels that a request regarding the dress code is unreasonable, the student should first adhere to the request of the faculty or staff member, and then follow up with a written document using the appropriate appeal procedure. To report an incident: https://www.vuu.edu/incident-reporting-form

Social Media Policy

1. Rationale

Virginia Union University (“University”) encourages the use of social media to connect with others, including students, employees, alumni and the University. Social media sites are excellent venues to communicate and encourage engaging discussions about University current events, issues, accolades, organizations and people. There is, however, an inherent risk involved in using social media; in that, it is an instantaneous and far-reaching form of communication and inappropriate use can impact staff, students and the reputation of the University. This policy provides information for students as to the appropriate use of social media when connected to their status as a student of the University, or when directly or indirectly referencing the University.

2. Policy

2.1 For the purpose of this policy, social media is defined as any online interactive tool, which encourages participation, interaction and exchanges. New forms of social media appear on a regular basis. Currently, they include Facebook, Flickr, Instagram, TikTok, YouTube, LinkedIn, Snapchat and Twitter, as well as blogs, discussion forums, instant messaging and any website which allows public commenting or posting.

2.2 This policy applies to all students and to any personal communications within a social media platform, which directly or indirectly reference the University. Section 9

ALMA MATER
Union, we’ll e’er revere the cause for which you stand,
Union! Majestic light, send rays throughout the land;
Thy hallowed grounds and dear old walls,
May they forever be,
Dear Union, we still love thee;

Thy hallowed grounds and dear old walls,
May they forever be,
Dear Union, we still love thee.

O, for the happy hour we spend
On that cherished and sacred hill;
Our “Dream of Joy” to us attends,
With truth and virtue to instill;
Thoughts of by-gone days at thy shrine
Fill my raptured soul with ecstasy,
Alma Mater, my praises are thine!
You are God’s gift to humanity.

Union, we’ll e’er revere the cause for which you stand,
Union! Majestic light, send rays throughout the land;
Thy hallowed grounds and dear old walls,
May they forever be,
Dear Union, we still love thee;
Thy hallowed grounds and dear old walls,
May they forever be,
Dear Union, we still love thee.
