Requirements to Register for Classes

Financially Cleared and no disciplinary issues

All tuition and fees must be paid by:

- Fall Semester: August 17, 2020
- Spring Semester: January 11, 2021
- Spring VI/VII Semester: May 17, 2021

This includes room, board (meal plan), fees, and deposits.

- Any charges unpaid at the end of the previous term are also due and must be paid before you can enroll for the next term.
- If you owe money to the university, a hold will be placed on your account, grades and transcripts will not be released, registration will be blocked, or you will be dropped from **all classes, and your housing and meal plan will be revoked or canceled.**
- All payments will be applied towards previous debt before applying funds toward your current balance.

Room Reservations

Due to the overwhelming demand for on-campus housing, rooms are reserved on a first-come, first-served basis. Students with prior behavioral/student conduct issues will not be eligible for housing. Therefore, it is expected that all students adhere to all of the rules and regulations on campus and in the residential halls. In addition, if a student commits a crime or infraction while he or she is a resident, he/she runs the risk of being suspended and removed from on campus housing.

As a result, we ask all students to read the student conduct manual and understand the expectations placed upon all students. To obtain a Room Reservation, students must complete an official housing contractual agreement, be enrolled full-time, and be financially cleared.

In addition, if a student commits a crime or infraction while he or she is a resident, he/she runs the risk of being suspended and removed from on campus housing with no refund.
