**Help with important life matters**

**Protection against identity theft**
Identity theft is widespread, and everyone is vulnerable. LifeKeys includes an online resource for information that can help you recognize and prevent identity theft—and restore your good name should your identity be compromised.

**Online will preparation**
Creating a will allows you to make vital decisions ahead of time, including naming a guardian for your children or designating who will receive your property and assets after you pass away. Without a will, state officials will distribute your estate. EstateGuidance® offers a secure, efficient way to create and execute a will so you can rest easy knowing you’ve planned ahead for your family.

**Guidance and support for your beneficiaries**
LifeKeys is a comprehensive program that offers resources to help your loved ones address a range of common concerns should they experience a loss. Services include grief counseling, financial and legal advice, and support when coping with the challenges of day-to-day life. Services are detailed on page 2.
