EFFECTIVE DATE:	1/01/09
REVISED	05/2022

Gifts of services may be accepted under the same conditions as other gifts, with appropriate caution to preclude testimonials or conflicts of interest. The performance of such voluntary service may not be construed as a condition of doing business with the university or its auxiliary organizations. Generally, gifts of personal service have no tax-deductible advantage. However, any questions about deductibility of gifts of service should be referred to the individual's tax advisor.
